

## Membership Program

### *Become our FRIEND!*

Becoming a FRIEND will support Friends of MADACC's mission and allow us to achieve our objectives. We depend on the generosity of people like you!

In 2016, Friends of MADACC had a great year! We sponsored 330 cat and 137 Pit Bull Proud adoptions, funded 97 spay and neuter surgeries for 51 dogs and 46 cats, and provided a grant for the Kitten Commando Program that made it possible to save 86% of the kittens that came into MADACC. Friends of MADACC also funded an outdoor play yard renovation at MADACC. For more of our achievements please check out our 2016 Impact Report.

Becoming a member of Friends of MADACC shows your commitment to helping animals in need in the Milwaukee area and gives you inside information and chances to get involved in helping us achieve even more in 2017!
